

# Unbreakable

## A Skylit Drive

You play the fool, but you're insecure  
You twist my words and fake the lies, I've heard  
A 1000 times  
I'll breath in the ashes, but you'll never break me.(So long) I am sick at the thought of you  
(Look back) at all that you put me through  
(Now gone!) My never forever it's all on you!Can't you see, (what you don't wanna believe)  
Can't you see, if loving you was so right,  
Why did it feel so wrong? (Why did it feel so wrong?)Can't you see, that you are killing me?  
Let me be, I only wanna be free  
I'll make a noise so loud  
That across the world you'll hear itYou break the rules and I'll set the score  
You twist my nerves and take the life I earned by telling lies  
I'll breath in the ashes, but you'll never make meCan't you see, (what you don't wanna believe)  
Can't you see, if loving you was so right,  
Why did it feel so wrong? (Why did it feel so wrong?)Can't you see, that you are killing me?  
Let me be, I only wanna be free  
I'll make a noise so loud  
That across the world you'll hear itCan't you see, that you are killing me?  
Let me be, I only wanna be free  
This is who I am, now  
I'll scream until you hear itI'm sick at the thought of you  
Look back at all that you put me though  
Can't you see?  
Can't you see?  
If everything was right,  
Why did it feel so wrong?If loving you was so right  
Why did it feel so wrong?Can't you see, that you are killing me?  
Let me be, I only wanna be free  
I'll make a noise so loud  
That across the world you'll hear itCan't you see, that you are killing me?  
Let me be, I only wanna be free  
This is who I am, now  
I'll scream until you hear it (until you hear it)
