

Tell Me What To Do

Jim Noir

Heh, heh, heh, Mr. Hire
I'll never [get/catch] a boy with you
In all my life I've never seen a sight of youHeh, heh, heh, Mr. Hire
So meetin' you would be ever so nice
You know me so well
And I'm lookin' for a little adviceTell me what to do?
And I will do what you tell me to do
I'll do it too, how blue I'll be not toTell me what to do?
And I will do what you tell me to do
I'll do it too, how blue I'll be not toHeh, hey, hey, Mr. Hire
I'll never get your point of view
In all my life I've never seen a sight of youHeh, heh, heh, Mr. Hire
So meetin' you would be ever so nice
You know me so well
And I'm lookin' for a little adviceTell me what to do?
And I will do what you tell me to do
I'll do it too, how blue I'll be not toTell me what to do?
And I will do what you tell me to do
I'll do it too, how blue I'll be not to
