

# Now That the Buffalo's Gone

## Buffy Sainte-Marie

Can you remember the times  
That you have held your head high  
And told all your friends of your Indian claim  
Proud good lady and proud good man  
Some great great grandfather from Indian blood came  
And you feel in your heart for these ones Oh it's written in books and in song  
That we've been mistreated and wronged  
Well over and over I hear those same words  
From you good lady and you good man  
Well listen to me if you care where we stand  
And you feel you're a part of these ones When a war between nations is lost  
The loser we know pays the cost  
But even when Germany fell to your hands  
Consider dear lady, consider dear man  
You left them their pride and you left them their land  
And what have you done to these ones Has a change come about my dear man  
Or are you still taking our lands  
A treaty forever your senators sign  
They do dear lady, they do dear man  
And the treaties are broken again and again  
And what will you do for these ones
