

Forgiven (Acoustic Version)

Sanctus Real

Well the past is playing with my head
And failure knocks me down again
Im reminded of the wrong
That I have said and done
And that devil just wont let me forgetIn this life
I know what Ive been
But here in your arms
I know what I amIm forgiven
Im forgiven
And I dont have to carry
The weight of who Ive been
Cause Im forgivenMy mistakes are running through my mind
And Ill relive my days, in the middle of the night
When I struggle with my pain, and I wrestle with my pride
Sometimes I feel alone, and I cry[chorus]When I don't think and I dont feel like I belong anywhere
When I dont measure up to much in this life
Oh, Im a treasure in the arms of Christ cause[back to chorus]
