

# You Don't See Me

Keane

Like beautiful dolls  
All made up and bright  
Radiant people in splintering light  
All moving at the speed of life  
Reflecting in each others' eyes

But you're moving so fast through this beautiful scene  
You don't see me  
You don't see me

Oh truly we are a fortunate few  
Who turn on your axis, revolve around you  
All spinning outwards from your sun  
Passing your reflection on

In your hurry to grasp everything that you see  
You don't see me  
You don't see me  
You don't see me  
No, you don't see me

Such a beautiful view  
I guess you've seen it all  
But you, you see nothing at all  
Such a beautiful view  
Shining so bright  
Shining so bright, so bright

All moving at the speed of life  
Reflecting in each others' eyes

But you're moving with such irresistible speed  
You don't see me  
You don't see me  
You don't see me  
No, you don't see me  
No, you don't see me
