

I Got This

Richie Supa

I get high 7 days a week
SO damn twisted I can hardly speak
Im fine, I ain't worried
I got this
I spend all my money just to buy my shit
Im always out chasing another hit
Im crazy, it dont phase me
Cus I got this
Yeah, yeah You cant tell me nothing
Yeah yeah I ain't got a problem
Denial, Is my style
I got this
Yeah, yeah I know Im in trouble
Yeah yeah hand me a shovel
Im dying, but Im fine
I got this
Last night I drank till I passed out
My clothes fell off and I dont know how
Shit happens, Im laughing
i got this
I been to a rehab 15 times
I dont pay attention cus I think Im fine
Im certain it aint working cus i got this
yeah yeah you cant tell me nothing
yeah yeah i aint got a problem
denial is my style
denial is my style
cus i got this
yeah yeah i know I'm in trouble
yeah yeah hand me a shovel
im dying, but im fine
i got this
oh, oh im playing russian roulette
oh, oh you know the higher i get
but i swear i got this all under control
so leave me alone
i stole money from my moneys purse
i got more pills than an er nurse
im busted, disgusted

but i got this
i turned into someone i dont wanna be
i never get the help that i really need
when i say, each day, that i got this
yeah, yeah you cant tell me nothing
yeah, yeah i aint got a problem
denial is my style
but i got this
yeah yeah i know im in trouble
yeah yeah hand me a shovel
im dying, but im fine
i got this
im dying, but im fine
i got this
im dying but im fine cus i got this
i got this.
