

Kings Of Metal

Van Canto

Manowar, Manowar living on the road
When we're in town, speakers explode
Now, we don't attract wimps 'cause we're too loud
Just true metal people, that's Manowar's crowdThey wanna keep us down, but they can't last
When we get up we're gonna kick your ass
Gonna keep on burnin', we always will
Other bands play, Manowar kill
Said, other bands play, Manowar killWe like it hard, we like it fast
We got the biggest amps, man they blast
True metal people wanna rock, not pose
Wearin' jeans and leather, not cracker jack clothesThey wanna keep us down, but they can't last
When we get up we're gonna kick your ass
Gonna keep on burnin', we always will
Other bands play, Manowar kill
Said, other bands play, Manowar killWe're the kings of metal comin' to town
When we light up, have the roof nailed down
Don't try to tell us that we're too loud
'Cause there ain't no way that we'll ever turn downThey wanna keep us down, but they can't last
When we get up we're gonna kick your ass
Gonna keep on burnin', we always will
Other bands play, what, Manowar killWhen we get up we're gonna kick your ass
I'll kick your ass, Manowar kill
Comin' to town, we're gonna kick your ass
We're the kings of metal, Manowar kill
Comin' to town, we're gonna kick your ass
We're the kings of metal, Manowar kill
We're the kings of metal, Manowar killKick your ass, Manowar kill
We're the kings of metal, kick your ass
Comin' to town, Manowar kill
Comin' to town, we're gonna kick your ass
We're the kings of metal, Manowar kill
