

My Heart Is The Worst Kind Of Weapon

Fall Out Boy

Spent most of last night dragging this lake
For the corpses of all my past mistakes
Sell me out, the jokes on you
We are salt and you are the wound
Empty another bottle and let me tear you to pieces
This is me wishing you into the worst situations
I'm the kind of kid that can't let anything go
So you wouldn't know a good thing if it came up and slit your throat
Your remorse hasn't fallen on deaf ears, rather ones that just don't care
Because I know that you're in between arms somewhere
Next to heartbeats where you shouldn't dare sleep
Now I'll teach you a lesson for keeping secrets from me
Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while
Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while

Oh, once in while
And did you hear the news?
I could dissect you and gut you on this stage
Not as eloquent as I may have imagined
But it will get the job done, you're done
Every line is plotted and designed
To leave you standing on your bedroom window's ledge
And everyone else that it hits, that it gets to
Is nothing more than collateral damage
Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while
Take your taste back, peel back your skin
And try to forget how it feels inside
You should try saying no once in a while
Oh, once in while
