Doubt

Bad Veins

If you break the story down to the core.
It's just a tired old lie
that we've all heard before.
I try to do what's right
I try to be what you want.
But I'm finding there's no way in anymore.What was once so free of doubt
Now's just hard to figure out.
Only time will tell, this can't be explained.
Sometimes I wait for you, do I wait in vain.
If you break the story down to the core.
I've got a pocket full of keys
but I still can't open the door.
Now I'm assuming there's a way
and I'm hoping someone's gonna help.
But I'm not gonna hold my breath anymore.What was once so free of doubt.
Now's just hard to figure out.
Only time will tell, this can't be explained.
Sometimes I wait for, do I wait in vain?
What was once so free of doubt.
Now's just hard to figure out.
Only time will tell, this can't be explained.
Sometimes I wait for you, do I wait in vain?
