## Blackstreet

Wizzy wow, wow, uh, wizzy wow  
Uh, wizzy wizzy wow, uh, wizzy wizzy wizzy wow  
Uh, wizzy wow, wizzy wizzy wizzy wizzy wow  
Uh, wizzy wizzy wow, wizzy wizzy wow  
Drop a top, what's that make you say  
Sleep with the top, let that make you say wow  
Pop in approach, makin' the industry wow  
I can do a baller like 20 seconds like wow  
Pick up a trick and the body's like wow  
[Incomprehensible] throwin' the face was like wow  
Went to the crib and her mouth dropped like wow  
Took off her clothes and then there always was trouble  
Yo?, this girl was so kinky like wow  
The cranium was crazy, it made me shout wow  
Touchin' her clothes with her hands and meanwhile  
She got me in her carpet and sweatin' like wow  
I can't be greedy, that's not correct, wow  
Phat expressin' her to my peeps, that's wow  
Hit up my dawg on a two, he hollered wow  
He called my cell and said, "I'll be there on the double"  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
I'm with my crew, my niggas, like wow  
We all eatin' up bank accounts, it's like wow  
So many Os, six fours, it's like wow  
Where we go, we [Incomprehensible] like wow  
Ice and the chains, it's exotic like wow  
Different colored diamonds hypnotic like wow  
Ain't no stoppin' us now, we shuttin' it down  
  
How you likin' me now, I got a new style  
Shake your ass, and don't you sleep with me now  
Wiggle a little, shake ya shit up in the middle

Touch what's really simple, don't get stuck in the middle  
I'm a, I'm a fuckin' legend  
Keg up to my Os and seven  
Any where I go, I'm winnin'  
Matrix to keep your ex spinnin'  
You know how hard it is gettin'  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow  
Wizzy wizzy, wizzy, wizzy wizzy wow

Since you be movin' it like that, think you'll be doin' it like that  
When I be throwin' it at you, will you be bringin' it right back?  
Wizzy wizzy, that's my condom bitch  
She can't cook but she can ride that dick  
Know she ain't smart but she got a nice tits  
She mess around but that still my chick, wow

Wizzy wizzy wizzy wow, is it things she ain't
