

# Give Me All Your Love

## Magic Affair

Hold up, hold up, check my linguistics  
Let me break it down to ya ! Afrolistic !  
I ain't down with the love stuff kid,  
Nothing but trouble, jet on double  
See ya got a habit, of keeping the brother broke  
I ain't the one, why ? 'cause I'm locked  
Pack your bags, and put down the platter  
You wanna chill with me 'cause my pockets got fatter  
You want din-din, drive a new Benz then  
Suck me dry and spit me out again  
Romancin', dancin' and a fur coat  
Ah, ah, I don't play these jokes.  
You can't fade me, run me through the maze  
I know about women and the mystic ways.  
And my cash flow, you can't stop it.  
Give up the props to the underground prophet. Give me all your love  
I want everything, I can't let go  
Give me all your love  
If you ain't my friend, you'll be my foe Love ah...  
Give me all... Back again, I guess you didn't listen  
Open your eyes, homegirl, because you're missing  
The simple fact that a bank can get you stuck  
Caught between the wall and a mac truck  
All for the taking, not to be took  
1-8-7 on the pocketbook  
Violations, grounds for terminations  
Mo'money, Mo'money, is what I'm facin'.  
I paid the price before, now I'm through with it  
Don't even front on me, because you did it  
Instead of love, it's a business proposition  
So I broke on out on a new mission  
If you would've been straight from the get go  
Then you would not have to leave through the back door  
One strike is what you get, later,  
See ya, and I wouldn't wanna be ya ! Ah, I don't play these jokes  
Question : what is love ?  
Answer : the same as hate if your not careful  
I want your love  
Give me your love
