

# I Will Steal You Back

## Jimmy Eat World

When you pull me in sometimes I almost feel  
The picture in my head is just too real  
It's gonna be how it is, there's some things you don't change  
I'm done with telling myself that story  
How slowly we built the walls  
Years they pile up  
I will steal you back  
Funny how the smallest lie  
Might live a million times  
I will steal you back  
Here we go, here we go, we'll take on so much pain  
To feel secure, not feel anything  
I only pick a fight I'm sure to lose  
So how can I not hold my hope for you  
How slowly we built the walls  
Years they pile up  
I will steal you back  
Funny how the smallest lie  
Might live a million times  
I will steal you back  
(Back, back)  
How slowly we built the walls  
Years they pile up  
I will steal you back  
Funny how the smallest lie  
Might live a million times  
I will steal you back  
(Back, back)  
I will steal you back  
I will steal you back
