

# Confessions (feat. Cozi Zuehlendorff)

## MYRNE

You can take your time  
You can choose your words  
Let me down real easy  
Let me down real easy Well I'm doing just fine  
Because I caught your lies  
You said that it's you, not me  
Baby, now that I am free I want my lips back  
My time back  
My words, like when I said (I love you)  
My world back  
My life back  
My heart, the one you knew that could break  
The one that broke  
With your confessions  
With your confessions  
With your confessions I'mma let you speak  
Let my silence breach  
Baby, I'm real quiet  
Baby, I'm real quiet I am the calm inside a storm  
And I am the peace inside the war  
Your confessions took their toll  
Baby, I am in control I want my lips back  
My time back  
My words, like when I said (I love you)  
My love back  
My life back  
My heart, the one you knew could break  
The one that broke  
With your confessions  
With your confessions  
With your confessions With your confessions  
With your confessions  
With your confessions
