

Just a Little Bit of You

Michael Jackson

Ooh, just a little bit of you every day
(Just a little bit, just a little bit)
Will surely keep the doctors away
Just a little bit of you every day
(Just a little bit, just a little bit)
Will surely keep the doctor away I told my mama how I feel
About your power, your love can heal
Can't no doctor's remedy
Ever do what you do for me Just a little bit of you every day
(Just a little bit, just a little bit)
Will surely keep the doctors away
Eeny weeny teeny bit of your love, baby
It's all I need, it's all I need
(It's all I need, all I need) Since the day I've been lovin' you
I can't catch a cold, I can't catch the flu
Sweet lovin' you've been giving me
(Sweet sweet sweet lovin')
Has become my daily need, ooh
(Your sweet lovin') Just a little of your love every day
(Just a little bit, just a little bit)
It's all I need, it's all I need
(All I need, all I need)
Just a little bit, baby
(Just a little bit, just a little bit)
It's all I need, that's all I need So don't send no doctor to my door
'Cause Doctor John's been here before
Don't you send him, just come yourself
Bring your lovin' and nothin' else Ooh, just a, just a, just a little bit of love every day
(Just a little bit, just a little bit)
Surely keep the doctors away
Just a little bit of you every day
(Just a little bit, just a little bit)
Will surely keep the doctors away Just a little bit, babe
(Just a little bit, just a little bit)
Just a little bit, baby
(Will surely keep the doctors away) Just a little bit of your love
(Just a little bit, just a little bit)
