

# Elizabeth III: Fall from Grace

## Kamelot

Breathe in deep  
Smell these halls of hate  
Carve your name into these walls before it is too late  
Cold and twisted  
They resisted  
What was I to do  
All I ever wanted was a fraction of the truth  
Walking in the shadows of my blackened mind  
Lost inside this shallow vanity of time  
What if there's a God a hell and heaven  
Fire is the torment I must face  
Dying by the souls I have forsaken  
No one's going to catch my fall from grace  
(Bleed on me)  
Watch me from your cage  
As I rejoin my painful prime  
(suffer and exhale)  
You and I are relics  
We provoke and we recline  
Walking in the shadows of my blackened mind  
Angels crave my sorrow  
Sorrow they will find  
What if there's a God a hell and heaven  
Fire is the torment I must face  
Dying by the souls I have forsaken  
No one's going to catch my fall from grace  
Walking in the shadows of my blackened mind  
Angels crave my sorrow  
Sorrow they will find
