

Got to Be Your Lover (Special DJ remix)

Taco

Got to be your lover lover
Wow wow I got to be your lover
Don't hide or fight it girl
We felt it right along from the start
First kiss the tenderness
The lovely beating of the heart
The sudden ecstasy
When your arms cling to mine
Now it's more than late
To deny our love is fate
*Got to be your lover
You and me forever
We got love enough inside
Sharing love forever
On the wings of love we'll fly
So let's be together
Love gives lovers every ride
Don't deny my offer
It's a case of do or die
Goodbye to former compromise
I found you and I'm making you stay
Umm one smile and suddenly I knew
Got lucky on a lucky day
The thrill and ecstasy
To know that you are mine
The feeling's great so don't hesitate to say
*Repeat
Just you and me baby
Found you and I'll never let you go
Yeah you and me love
On the wings of love we'll fly
*Repeat until end
