

Closer

Tegan and Sara

All I want to get is
A little bit closer
All I want to know is
Can you come a little closer? Here comes the breath before we get
A little bit closer
Here comes the rush before we touch
Come a little closer The doors are open
The wind is really blowing
The night sky is changing overhead Its not just all physical
Im the type who won't get oh so critical
So lets make things physical
I wont treat you like youre oh so typical All you think of lately
Is getting underneath me
All I dream of lately
Is how to get you underneath me Here comes the heat before we meet
A little bit closer
Here comes the spark before the dark
Come a little closer The lights are off and the sun is finally setting
The night sky is changing overhead Its not just all physical
Im the type who won't get oh so critical
So lets make things physical
I wont treat you like you're oh so typical I want you close I want you
I wont treat you like you're typical I want you close I want you
I wont treat you like youre typical Here come the dreams of you and me
Here come the dreams
Here come the dreams of you and me
Here come the dreams Its not just all physical
Im the type who won't get oh so critical
So lets make things physical
I wont treat you like youre oh so typical I want you close I want you
I wont treat you like youre typical I want you close- I want you
I wont treat you like youre typical I wont treat you like youre typical
I wont treat you like youre typical All I want to get is
A little bit closer
All I want to know is
Can you come a little closer?
