Caravan (Oblivion Tour) [Live]

Utopia

Moses went into the desert
Moses came back with the law
Jesus went into the desert
God only knows what he sawHitch up your ass and your camel
Fill up your skin at the well
Roll up your tent, whisper your prayers
Are you ready to ride through hell(Caravan)
Moving through the night, sleeping in the light of day
(Caravan)
Spinning through the void on our way
(To anywhere)(Caravan)
Time is just a joke, change is all we understand
(Caravan)
Life is a mirage, only a mirage dancing on the desert sandHow I recall all the mountains
How I remember the farm
Oh, how I miss the big city
With a pretty girl on my armSell my best friend for some water
Cut off my leg for some shade
Sunburn these thoughts from my memory
If I live I will be remade(Caravan)
Moving through the night, sleeping in the light of day
(Caravan)
Spinning through the void on our way
(To anywhere)(Caravan)
Time is just a joke, change is all we understand
(Caravan)
Life is a mirage, only a mirage dancing on the desert sandThe sand is like a razor, slashing at my face
Everyone's in panic but you can't see any place
It's a sand storm, taken by surprise
Hide beneath your wrappings and cover up your eyesWell I lost my kit and camel, maybe I will die
Feel so lost and helpless and I think I'm gonna cry
It's a sand storm, nothing you can do
No one knows if it will last, no one knows if you will make it throughIt's been so long without water
Vultures are filling the air
Where is that bloody oasis
Must be around here somewhereTime for some strong meditation
Time for the ultimate change
Time to make peace with your maker
Everything has been prearranged(Caravan)

Moving through the night, sleeping in the light of day
(Caravan)
Spinning through the void on our way
(To anywhere)(Caravan)
Time is just a joke, change is all we understand
(Caravan)
Life is a mirage, only a mirage dancing on the desert sand
(Caravan)Caravan
