

# Puss

## Docenterna

Get me something to stop the bleeding, 'cause I'm fittin' to blow  
Knock her down the stairwell and kick her, I think you can take her

Shove more bourbon down her mouth hole  
'Cause she's the one that needs a nailin'

Ya might as well just open the door andGet her out of the truck, get her out of the truck  
Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truckGet me something to stop the bleeding, 'cause I'm fittin' to blow  
Knock her down the stairwell and kick her, I think you can take her

Oh, she's the one that needs a nailin'

Ya might as well just open the door andGet her out of the truck, get her out of the truck  
Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truck

Get her out of the truck, get her out of the truckGet her out, pow in the bush, yeah right in the kisser  
Shove more bourbon down her mouth hole

Pow, smacked in the puss, straight in the sucker

Plum in the kisser, busted her pie hole

Square in the yap, punched in the jaw, straight in the sucker

Dead in her tongue pin, busted in her pie

Square in the yap, punched in the jaw, plum in the kisser

Dead in her tongue, crushed, across, her pie

Smacked in the mush
