## Too \$hort

Hook:

I fuck 19,999 bitches, bitches

I fuck 19,999 bitches

I'm on you, Will!

20,000 bitches 20,000 bitches

If I fuck one more!

20,000 bitches 20,000 bitches

Wilt Chamberlain, ho! I met your momma, had a pool party

All the nasty lil things she would do for me

If I told you, you probably wouldn't feel me though

But your momma was in the Cocktales video

More hoes than your favorite MC

If you find a motherfucker that's hating on me

It's about some pussy

Cause I won't stop pimping

Real player with a whole lot of women!

Lil sis just left for me

Ex-girlfriend is my specialty

She do doing things you would never believe

I fucked her so good when she ever leaves!

Short Dog, I'm a watch dog

Two bitches in the bed, gonna gonna rock hard

The TMC had me running from the cop car

I had four naked bitches at the spa, boy! Hook:

You say I'm lying, I say you hating

It's a fact, it's no debating!

The shit happened, it's done

If you don't know your dad

Then you might be my son!

Your momma been an all-star weekend

Super-ball Sunday, a fight or the freaking

Spring break, girls going wild

Ask Mori, are you my child?

No, I'm not the father

Yeah, I fucked her, but never caught her

20 years later, I did it to her daughter

Fucked her in the car that you bought her

You couldn't be a better parent than me

Not even if you fucked everyday of the week

I know you think you got it like that, repeat  
Lil chamberlain, ain't got shit on me!  
Bitch!Hook:  
Remember when you seen me out in Detroit?  
You were rearing on a ho, a bunch a D boys  
Surrounded by all that pro  
I know one of them hoes had to be your girl  
Acting dirty in Kentucky  
I heard rich white women wanna fuck me  
And I party hard on Mardi Grass  
Ten bitches every night, I did it, oh!  
I did Ashleys, Keishas, Ericas  
And it wasn't only hoes in America  
I had more in London, a few in France  
I didn't want to leave when I flew to Japan  
I got bitches for all... still call, saying how they're missing me  
But they know, ain't no change in him  
AKA Chamberlain!
