All I've Failed To Be

Sonicflood

God above, I'm in awe
Of Your perfect love
Humbly I come to Your throne of grace
For a taste of YouJesus Christ, I'm in awe
Of Your sacrifice
Holy I stand in Your presence here
I am near to YouI'm praying Lord break me
I'm praying Lord take me
I'm praying Lord make me
All I've failed to beGod above, I'm in awe
Of Your perfect love
Humbly I come to Your throne of grace
For a taste of YouJesus Christ, I'm in awe
Of Your sacrifice
Holy I stand in Your presence here
I am near to YouI'm praying Lord break me
I'm praying Lord take me
I'm praying Lord make me
All I've failed to beI'm praying Lord break me
I'm praying Lord take me
I'm praying Lord make me
All I've failed to beWhen all around is falling out
When I forget what I'm about
Sometimes the best that I can do
Is to desire to desire You
Desire, desire, desireI'm praying Lord take me
I'm praying Lord make me
All I've failed to beBreak me, take me, make me
All you see, make me all you see in me
Break me, take me, make me
All I've failed to beBreak my heart, take me Lord
Make me whole
I need You
God above
