

Ridicule

Curtis Newart

do what we say not what you wanna do / donâ€™t ask me why, look who youâ€™re talkin to / what makes you think th
world is free / how dare you ask for empathy / thereâ€™s something wrong inside your little head / you thought we
cared, you musta been misled / whatâ€™s that you say? Ha! Donâ€™t be cruel? / we always took you for a fool / donâ€™t
ridicule, donâ€™t ridicule me / donâ€™t ridicule, donâ€™t ridicule me / some scenes are adults only / better that than
lonely / iâ€™ve heard enough sanctimony
such noble acrimony! / donâ€™t ridicule, donâ€™t ridicule me / donâ€™t ridicule, donâ€™t ridicule me / youâ€™re no
never gonna be / i wash my hands of your vulgarity / you undermine society /
just look at you, youâ€™re heresy / iâ€™m not looking for your approval / just stop gunnin for my removal / iâ€™ll live
life and iâ€™ll be happy / change the world and you canâ€™t stop me / donâ€™t ridicule, donâ€™t ridicule me / don
donâ€™t ridicule me
