

# Here Comes The Night Time II

## The Arcade Fire

(Here comes the night time)

(Here comes the night time)

(Here comes the night time)

Here comes the night time

Here comes the night time

Here comes the night time I hurt myself again

Alone with all my friends

Feels like it never ends

Here comes the night again Here comes the night time

Here comes the night time

Here comes the night time You hurt yourself again

Alone with all your friends

Feels like it never ends

Here comes the night again Here comes the night time, coming on slow (Here comes the night time)

Here comes the night time, I know that you know (Here comes the night time)

Here comes the night time

Here comes the night time

Here comes the night time

Here comes the night time Well, I hurt myself again

Alone with all my friends

Feels like it never ends

Here comes the night again Here comes the night time

Here comes the night time

Here comes the night time

Here comes the night
