

# Retarded

## Weston

friday night was out of sight  
we didn't have a single fight  
saturday it totally changed  
you said forget about being engaged  
you can see what i can see  
when i see you beating me  
but it's alright  
it's just a game you are so retarded i must be retarded too  
you're afraid of what i started  
i guess you didn't want something new  
and everything is so retarded  
i expected more after all i have been through  
i can't believe it i'm still in love with you if my friends only knew what you do  
they'd tell me not to parle voix  
i should leave but my damn love wont  
i'm so use to this what else can i do  
they can see what i can see  
when you're in my company  
but it's alright  
it's just a game you are so retarded i must be retarded too  
you're afraid of what i started  
i guess you didn't want something new  
and everything is so retarded  
i expected more after all i have been through  
i can't believe it i'm still in love with you i can't believe you are so retarded you are so retarded i must be  
retarded too  
you're afraid of what i started  
i guess you didn't want something new  
and everything is so retarded  
i expected more after all i have been through  
i can't believe it i'm still in love with you
