Papa - papa

papa-papa papa-papa

paparazzi

give me more scandals

to suck onpapa - papa

papa-papa papa-papa

paparazzi

give me more gossip

more rumours

more tittle-tattle sensations

some embarrassment outrage shame and slander

some filth in the cornerspapa - papa

papa-papa papa-papa

paparazzi

give me more sneaky billionaires

more prissy royalties more touchy celebs

more sly and dishonest politicians

with their pants far down

under their kneespapa

papapapapapapapapapa

paparazzi

give me more insults

to suck on
