

# I'm Through With Love

Keith Jarrett

I'm thru with love,  
I'll never fall again.  
Said I do to love,  
Don't ever call again.  
For I must have you  
Or no one.  
That's why I'm thru with love. I've locked my heart.  
I keep my feelings there.  
I have stopped my heart  
Like an icy frigidaire.  
For I need to care for no one.  
That's why I'm thru with love. Why did you leave me  
To think that you cared.  
You didn't need me.  
You have your share  
of slaves around you  
To hound you and swear  
Their deep devotion.  
Emotion. Did you good by the spring  
And all it meant to me  
a good neighbor  
The things that used to be.  
For I must have you or no one.  
That's why I'm thru with love.  
That's why I'm thru with love.
