

Satyr and the Faun

PHOX

You are the Satyr you're not the Faun
Said you'd see me later
but you never called
And right around the corner
was just the one to pick me up
didn't take long
and so I have to run, to run, to run
so I have to run, to run, to run
You are the Satyr you're not the Faun
Said that you were waiting
you weren't all along
and in our final hours
You'd go and try, to prove me wrong
and say that you won
and so I have to run, to run, to run
so I have to run, to run, to run
No
No
So I have to run, to run, to run
and so I have to run, to run, to run
and so I have to run, to run, to run
and so i have to run to run to run
