

Angel In Disguise

Cinema Bizarre

I was betrayed
There is no fate
An open sore
I'm in too deep
I can't believe
Anymore
Will you take what's left of me
Reanimate my trust in fateAngel in disguise, you save my soul
But you make my heart go blind
My devils rage inside, just can't let go
Cause it feels so right
You make my heart go blindThe city sleeps
In empty streets
No glam of hope, godforsaken
There's no escape
I'm so afraid
Of being cold
Just to cope with societyReanimate my trust in fateAngel in disguise, you save my soul
But you make my heart go blind
My devils rage inside, just can't let go
Cause it feels so right
You make my heart go blind
You save my soul
You make my heart go blindThere is no fate
We've been betrayed
Can you calm (ease) my mind?
I'm blind with rage
Reanimate
My trust in fate
Search deep down inside
And heal the painAngel in disguise, you save my soul
But you make my heart go blind
My devils rage inside, just can't let go
Cause it feels so right
You make my heart go blind
Angel in disguise, you save my soul
But you make my heart go blind
My devils rage inside, just can't let go
Cause it feels so right

You make my heart go blind you save my soul
You make my heart go blind
