

# Mariachi (Instrumental)

## Willie Nelson

That's my favorite part, rewind my life on.  
When my world got dark, and you turned my light on.  
I watched it for hours again and again in my head.  
I did.  
I see I was down on you, more than I needed to be.  
I'd say I'm sorry but then you'd think I'm lyin'  
Chorus:  
Maria, shut up and kiss me.  
Stop shakin', stand up and hold me.  
I bet you're gonna miss me. You need me. Believe me.  
Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on.  
That's my favorite shirt, you always had on.  
Man, It sure looked good, ev'ry time you walked on.  
You're takin' the wind from me every chance that you could.  
You're good.  
Somethin' I can't explain.  
You tell me lately I've changed.  
If you feel better tell me why are you cryin'?  
(Repeat Chorus)  
Maria, Maria can we talk it over instead?  
Let's call it even and leave it alone.  
Come to bed.  
Maria, stop leavin' your teasin' is beaten me down.  
Maria just calm down  
In these situations I've found it's best not to be proud  
and say that you're sorry.  
Maria, shut up and kiss me.  
Stop shakin', stand up and hold me.  
I bet you're gonna miss me. You need me. Believe me.  
Maria shut up and kiss me  
You're crazy and it turns me on and on  
The way you're carryin' on.  
And it turns me on and on.  
on and on  
on and on  
And it turns me on and on.  
on and on

on and on  
on and on and on and on...
