

God Of This City

[Chris Tomlin](#)

You're the God of this city
You're the King of these people
You're the Lord of this nation
You are You're the Light in this darkness
You're the Hope to the hopeless
You're the Peace to the restless
You are There is no one like our God
There is no one like our God For greater things have yet to come
And greater things are still to be done in this city
Greater thing have yet to come
And greater things are still to be done in this city You're the God of this City
You're the King of these people
You're the Lord of this nation
You are You're the Light in this darkness
You're the Hope to the hopeless
You're the Peace to the restless
You are There is no one like our God
There is no one like our God For greater things have yet to come
And greater things are still to be done in this city
Greater thing have yet to come
And greater things are still to be done in this city For greater things have yet to come
And greater things are still to be done in this city
Greater things have yet to come
And greater things are still to be done here There is no one like our God
There is no one like our God For greater things have yet to come
And greater things are still to be done in this city
Greater thing have yet to come
And greater things are still to be done in this city Greater things have yet to come
And greater things are still to be done in this city
Greater things have yet to come
And greater things are still to be done here
