Shake that ass shake that ass
You got to shake that
Shake that ass shake that ass
You got to shake that ass bitch Damn Luke's got another fuckin' video
Full of big fat tittie hoes
And I'm wid it like every nigga on my block
With a cock makin' number one on the box Nigga can you spare a dime?
Tryin' to see this shit 3 or 4 times
Blowin' up the phone lines
On my way to the M I A To see pretty titties from Liberty city
Asshole naked in a club full of niggas
You go, girl, 'cause you's a hoe, girl
Step into the 2 Live stable Bitches all willin' and able to dance on the table
One, two, threes, hoes like these
Motherfuckin' nuts in they mouth down South
Shake that ass like a salt-shaker
Slap that motherfucker purple like a Laker Got nothin' but love for the bitches
That's dancin' in the clubs, leavin' wit' dubs
And when I come to your city,
You know I'ma check it, love to see you asshole naked Let a nigga see ya asshole butt-naked, bitch
Aw, aw, aw, nak-naked, bitch!
Aw, aw, aw, butt-motherfuckin' naked, bitch Let a nigga see ya asshole butt-naked, bitch
Aw, aw, aw, nak-naked, bitch!
Aw, aw, aw, butt-motherfuckin' naked, bitch Bitch, I know your type, you'll eat pussy all night
If the price is right, undercover dyke, I know the deal
Jus' tryin' to pay your phone bill
And it's cool, if your tongue is a muscle
Like me, a bitch gotta hustle 'Cause, all I wanna do is zoom, a zoom, zoom, zoom
Some bitch got the dressin' room smellin' like boom
When you leave, goin' to pick up your son
Unless I got a hon, hoe, I ain't tha' 1
I'll sit with the dogs and bark

(Awrf awrf awrf) Ain't tryin' to see them fuckin' stretch marks
You know a girl that's black make her ass clap
You know a girl that's yellow, shake it like Jell-O
Before I wreck it, gotta inspect it
(Lemme see)
Love to see you asshole naked Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch Lemme see ya asshole naked, bitch
Lemme see ya asshole naked, bitch It's your birthday, it's your birthday
Bitch, I don't give a fuck if you thirsty
I won't buy you one drink unless you show me
The pink in the middle, titties so little Go get your friend, we can go to my den
And make a perfect blend
2 on 1, I'm like Jack fuckin' Tripper
With these fine-ass strippers Call my nigga Luke, he feelin' like the
Duke of Earl, fuckin' that girl
Pullin' up in the '96 Coup
It's the motherfuckin' 2 Live Crew What you wanna do with these bad-ass hoes?
Get 'em out they clothes!
Hold up, it'll only take a motherfuckin' second
To get 'em asshole naked Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch Let a nigga see ya asshole butt-naked, bitch
Let a nigga see ya asshe-o-ole naked, bitch
