On My Way

The Redwalls

Well, I've been around
For all these years
And all your troubles
They all turn into fearsI wanna thank you
I wanna shake you
I wanna break throughI'm on my way
I'm on my way
I'm on my wayAnd all these people
They're all coming to you
I always thought that
I knew it was trueOh, here she comes now
All dressed in red
Those were the days that I hoped
We might be deadI wanna thank you
I wanna shake you
I wanna break throughI'm on my way
I'm on my wayAnd when they come to get you
I hope you're all right
We're gonna get free
We're gonna get out tonightAnd when it's over
Well, I hope it's okay
We're gonna make up
We're gonna make it today, heyI'm on my way
I'm on my way
I'm on my way
I'm on my wayI'm on my way
What did they say?
I'm on my way
