

Black Black Heart

David Usher

Somethin' ugly this way comes through my fingers slidin' inside
All these blessin's, all these burns, I'm godless underneath your cover
Search for pleasure search for pain in this world, now I am undyin'
I unfurl my flag, my nation helpless Black black heart, why would you offer more?
Why would you make it easier on me to satisfy?
I'm on fire, I'm rottin' to the core, I'm eatin' all your kings
And queens, all your sex and your diamonds As I begin to lose my grip on these realities you're sendin'
Taste your mind and taste your sex, I'm naked underneath your cover
Covers lie and we will blend and borrow with the comin' sign
The tide will take, the sea will rise, time will rape Black black heart, why would you offer more?
Why would you make it easier on me to satisfy?
I'm on fire, I'm rottin' to the core, I'm eatin' all your kings
And queens, all your sex and your diamonds Black black heart, why would you offer more?
Why would you make it easier on me to satisfy?
I'm on fire, I'm rottin' to the core, I'm eatin' all your kings
And queens, all your sex and your diamonds All your sex and your diamonds, all your sex and your diamonds
All your sex and your diamonds, all your sex and your diamonds
