

Your Smiling Face

[James Taylor](#)

Whenever I see your smiling face
I have to smile myself
Because I love you, yes, I do
And when you give me that pretty little pout
It turns me inside out
There's something about you, baby
I don't know Isn't it amazing a man like me
Can feel this way
Tell me how much longer
It could grow stronger every day
Oh, how much longer? I thought I was in love a couple of times
Before with the girl next door
But that was long before I met you
Now I'm sure that I won't forget you
And I thank my lucky stars
That you are who you are
And not just another lovely lady
Set out to break my heart Isn't it amazing a man like me
Can feel this way
Tell me how much longer
It could grow stronger every day
How much longer?
