## Macy Gray

Check one two  
Check one two  
Hey young world  
Check one two  
Check one two  
Young world young world This track here may cause concern  
For all ring leaders  
Why don't you listen and learn  
Love peace happiness once was strong  
But due to society  
Even that's turned wrong Why?  
Don't be a dumb dummy  
And disrespect mommy  
Why?  
She put you on earth  
And loved you since birth  
And you Hey young world  
The world is yours  
Hey young world  
The world is yours  
Young world young world  
Young world young world Reward is a brainwashed kid gone wild  
Young little girls already have a child  
Bad company and now you've been framed  
Parents are hurting so hurt and ashamed  
Why?  
Hell lil' kids don't follow these dopes  
Why?  
Don't be a fool like those who ditch school  
It's yours Hey young world  
The world is yours  
Hey young world  
The world is yours  
Young world young world Get ahead  
And accomplish things  
You'll see the wonder and the joy life brings  
Don't admire thieves they don't admire you  
Their times are limited  
And hardrocks too

Listen be strong  
And scream  
Woopie doo  
Go for yours  
Cause dreams come true  
You'll make your mommy so proud of you too  
And this is a message that the ruler rick threwWhy?  
(slick rick)  
Elders see our wise ones grow  
Interest in what their kid learned 'bout  
Seen how the offspring turned out  
Knowing you can now safeguard self  
Put upon an exciting path  
You see immense pride they'll haveHey young world  
The world is yours  
Hey young world  
The world is yours  
Young world young worldDon't discipline rule soundly  
Kids that we have lose boundaries  
Grow into what's called curse race lack independence  
Worst case imprisonment death near for  
Not what we brought kids here for  
Morals and values of sorts should be the first thing installedBelieve it or not  
God still shines on you  
He guides you  
And he watched you as you grew  
Stay out of trouble  
When it comes insight  
Cause a man never loses a fight in god's sight
