

Go Mod

The Jude

Girl
You wanna love me now
Oh yeah
I'm gonna show you how
Take me down to the river of sin
Take me down where you've never been
I'm gonna show you how
I'm gonna show you how
Oh yeahYeah Yeah
C'mon go mod with me
C'mon go mod with meGirl
I wanna love you now
Oh yeah
I'm gonna take you down
Take a ride with a purple heart
Ready steady go a brand new start
I'm gonna show you how
I'm gonna show you how yeahYeah Yeah
C'mon go mod with me
C'mon go mod with meEven out the ride
Even out the rideGirl
Welcome to my world
She
She's just a teddy girl
She
She got her Mary Quant
Oh yeah
She's all I really wantYeah Yeah Yeah
Won't you go mod with me
