Inhale Exhale

Nao

Running out of luck
Take me to the church and back again
Without tripping up
Search the wild until I'm found again
If you've had enough
Use me to the fire and
I can't get enough
And I'm not going to hide
So many reasons
Why you're better off
You've seen the madness
Blind to right or wrong
I tried to put my brakes on
But I'm already lost
Lost to the madness
'Cause when I inhale, exhale
I'm back againGlass empty or full
Quench my thirsty tongue, I'm drinking it
And I'll step off my stool
Break the rules until I'm linking them
It's me, it's not you
I can't get enough, I'm swimming in
Oceans, so can you
I'm not going to lie
It's your decision
I'm already lost
Don't try to reason
By the time I inhale, exhale
I'm back againLost to the fire
Heartache, madness
Find me deep in the ocean
Wild, harmless
Pull me out of the river
Heartache, sadness
Find me deep in the ocean
'Cause when I inhale, exhale
I'm back again
