I'm Sticking With You

The Velvet Underground

I'm sticking with you
'Cause I'm made out of glue
Anything that you might do
I'm gonna do tooYou held up a stage coach in the rain
And I'm doing the same
Saw you're hanging from a tree
And I made believe it was meI'm sticking with you
'Cause I'm made out of glue
Anything that you might do
I'm gonna do tooSome people go into the stratosphere
Soldiers fighting with the cong
But with you, by my side I can do anything
When we swing, we hang past right and wrongI'll do anything for you
Anything you want me to
I'll do anything for youOoh, I'm sticking with you
Ooh, I'm sticking with you
Ooh, I'm sticking with youOoh, I'm sticking with you
Ooh, I'm sticking with you
Ooh, I'm sticking with youOoh, I'm sticking with you
Ooh, I'm sticking with you
