

# On An Island (Live In Gdansk - Audio)

## David Gilmour

Remember that night  
White steps in the moonlight  
They walked here too  
Through empty playground, this ghosts' town  
Children again, on rusting swings getting higher  
Sharing a dream, on an island, it felt rightWe lay side by side  
Between the moon and the tide  
Mapping the stars for a whileLet the night surround you  
We're halfway to the stars  
Ebb and flow  
Let it go  
Feel her warmth beside youRemember that night  
The warmth and the laughter  
Candles burned  
Though the church was deserted  
At dawn we went down through empty streets to the harbor  
Dreamers may leave, but they're here ever after
