

# Heartbreaker (feat. Sean Thomas & Eeden)

## Lil' Flip

I miss you like crazy  
Day after day,  
night after night,  
i feel so lost without you right by my side,  
girl i miss you like crazy (crazy)  
i miss you like crazy (see you tonight)  
i miss you like crazy  
Taylor made suits, creased like a napkin  
lets be real its time, time for some action  
she bow-legged with a dimple on her right cheek  
ima go get her one day, cuz she like me  
we used to txt all night, now we sex all night  
you see the mirrors on the ceiling  
4 million in da bank gaining interest  
and just think last year you was my mistress  
you a qaurter, fifteen more than a dime  
we on the g5 tell em keep trying  
in two hours i can hit it three times  
i wont break your heart if you hold me down  
big guns for the other side  
helps security in my hood, im gonna ride  
you can be mrs gates if you act right  
today ima break you out like last night  
heart-heart-heart-heart-heart-heartbreaker  
heart-heart-heart-heart-heart-heartbreaker  
you .....  
you know what to do  
i cant be with you  
heartbreaker  
Now we, kicking it like everyday  
i cant lie, i love you in a special way  
you good for me like special k  
so lets rendezvous in a special place  
dont pack, all you need is your passport  
i promise not to break your heart like the last mark  
we maxed out my visa on our last date  
we spent a stack on jumbalya and crab cakes  
i gotcha back if ever you need a soul mate  
like maurry i find a chick and rotate

forget half, im giving you the whole safe  
ohkay im lying, but at least i told you  
girl im a soldier, drop and give me fifty  
get with me pimp and ima show you how to clock a milli  
dont get silly if you really wanna live with me  
if you a heartbreaker, dont you deal with me, bye.  
i miss you like crazy (crazy)  
day after day  
night after night  
i feel so lost without you right by my side  
girl i miss you like crazy  
heart-heart-heart-heart-heart-heartbreaker  
heart-heart-heart-heart-heart-heartbreaker  
you....  
i dont know what to do  
i cant be with you  
heartbreaker
