

# Suicide

## Rage

I've been stumblin' through my years  
All I had was sweat and tears  
When I thought I had it made  
I was always much too late And throughout my whole life I've done everything wrong [Chorus:]  
No way out - suicide  
No way out - suicide I am losing all I get  
For myself there's just regret  
And my brain, it feels so ill  
Am I waiting for the kill? What the hell's there on earth that could keep me alive? [Chorus] There's a shadow on  
my back  
I've been taking the wrong track  
Now I've gone a bit too far  
I've begun a private war All I hate is myself but I've shot someone else [Chorus]
