

# The Best Day of My Life

Jesse McCartney

Woke up around a half past ten  
Can't believe that I'm late again  
Put down about a quart of caffeine  
To start my pulse and then  
I grabbed my jeans off the floor  
Then I hit the door  
Just the same old sameIt goes to show  
You never know  
When everything's about to change[Chorus]  
Just another day  
It started out like any other  
Just another girl who took my breath away  
Then she turned around  
She took me down  
Just another day that I had the best day of my lifeCan't say exactly what it was  
She's not the usual type  
She wore a cowboy hat with her red Prada boots  
And a Gwen Stefani smile  
Then pulled out a pen  
And surprised me when  
She wrote her number on my handThen she was gone  
But from now on I'm gonna be a different man[Chorus]I guess it goes to show  
You never know when everything's about to change[Chorus:Repeat x2]
