Skeleton Key

Love Inks

Wake up 5 a.m.
Moonstruck woman again
Mind gone, like sugar in tea
Half life, a skeleton keyShut my eyes and the world drops dead
Shut my eyes and the world drops dead We're waiting, everyone is
Can't say when it came
to this It's never too late,
she said
But this time, we both know it is
Shut my eyes and the world drops dead
Shut my eyes and the world drops deadGonna wait, gonna watch, andï»¿ wait and pray
Gonna wait, gonna watch, andï»¿ wait and pray
Gonna wait, gonna watch, andï»¿ wait and pray
Gonna wait, gonna watch, andï»¿ wait and pray
Moonstruck by 'lot of stars
Bewitched woman of ours
Shut my eyes and the world drops dead
