Rise

Modern Day Zero

I felt it slip away
The time we use to take
How it got this way I sit and often wonder
Why couldn't you stay
There was so much more I wanted you to know[chorus]
We're in a world that makes us cry
We don't know why
There is a reason why we try
We can rely on heavenTime only heals if your letting go
There's no way I'm ready to get over you
I don't want to stay
The scent of you still on my pillow[chorus]I felt it slip away
I don't want to stay[chorus]In a world that make us cry
We can rely on heaven
