

# Close Your Eyes

Michael Buble

Close your eyes,  
Let me tell you all the reasons why  
I think you're one of a kind.  
Here's to you,  
The one that always pulls us through  
Always do what you gotta do  
You're one of a kind, thank god you're mine.  
You're an angel dressed in armour.  
You're the fear in every fight.  
You're my life and my safe harbour,  
Where the sun sets every night.  
And if my love is blind,  
I don't wanna see the light.  
It's your beauty that betrays you  
Your smile gives you away  
Cause you're made of strength and mercy  
And my soul is yours to save  
I know this much is true,  
When my world was dark and blue  
I know the only one who rescued me was you  
(Chorus)  
Close your eyes,  
Let me tell you all the reasons why  
You're never gonna have to cry  
Because you're one of a kind.  
Yeah, here's to you,  
The one that always pulls us through  
You always do what you gotta do, baby  
Because you're one of a kind.  
When your love pours down on me  
I know I'm finally free  
So I tell you gratefully,  
Every single beat in my heart  
Is yours to keep.  
(Chorus)  
Close your eyes,  
Let me tell you all the reasons why, baby  
You're never gonna have to cry, baby

Because you're one of a kind.  
Yeah, here's to you,  
You're the one that always pulls us through  
You always do what you gotta do, baby  
Because you're one of a kind.  
You're the reason why I'm breathing  
With a little look my way  
You're the reason that I'm feeling  
It's finally safe to stay.
