

# Pimp Homeo

## Ice Cube

Pimp Homeo, Pimp Homeo  
Hey, Julie-hoe  
I am but \$300 short, thy Pimp  
First know my ass is tired, thy Pimp Homeo  
Be this hour, I have done weeping  
Thy have poppeth my cootchie  
'Til I can't poppeth, no more  
Oh, tis, thy have a reason to smack a cramp in that ass  
Have patience, Pimp Homeo, have patience  
Homeo, I have a very voluptuous vagina  
And titties teetering on timelessness  
And a ass the size of Alaska  
Well, bitch, thy get my money
