Girl

Adam Sandler

Arsenio (chris rock):
Now don't leave us hanging with just that.
Jp:
Yeah, I hear that, arsenio.
Yo guys, lets kick it!
(music starts playing)
Jp:
Yo now, before we start singing,
You also want to know in addition to writing our own songs,
We also do our own choreography.
Jp:
Girl, I can't stop thinking of you girl,
Y-o-u, spells girl.
Woke up this morning, put on my own clothes,
Cause the ladys' not here, to help us no more.
Went down to the store, I got myself some juice,
Its tasted good and fresh and I love you.
All:
Girl, you are wicked awesome.
Dc:
I buttoned up my own shirt, whew!
All:
Because, you girl...

Rs:
Whenever I make my own plane reservations...
All:
I think of you girl, cause girl you are wicked awesome!
As:
My name is donny, and I'm here to say
They call me donny, cause that's my name.
Banana's are good in every way,
An apple a day, keeps the doctor away,
Purina cat chow -
All:
Chow, chow, chow.
As:
If my friends could only see me now,
I'm walking, I'm talking, mccauly caukin,

Roger clemmons was called for walking.
Word, sister!
All:
1, 2, dosey dow, dosey dow.
All:
You are... wicked awesome!
As:
Peace.
