## Sinergy

When I look into the mirror, what is it I see?  
Reflection of my greatest enemy  
Sounds of hatred, wasting all these years  
When I listen to myself speak, was is it I hear?  
Living life was my mistake  
Let me die before I wake  
Will this feeling ever end?  
Must be something I have done  
Lonliness, my only friend  
Who am I, what have I become? I don't recognize  
It feels like I'm the only one  
I am everything that I despise  
Living life was my mistake  
Let me die before I wake  
Lost the war inside my head  
The strenght inside has met it's dream  
Let me die before I wake  
Living life was my mistake  
Will this feeling ever end?  
Lonliness, my only friend  
Must be something I have done  
It feels like I'm the only one  
Me, myself, my enemy...
