## Foghat

Oh, what a night, sure had a real good time  
Oh, what a night, sure had a real good time  
You drink whiskey, I'll drink cheap red wine My head started spinnin', eyes began to roll  
My head started spinnin', eyes began to roll  
Crazy fool, shoulda listened to what I've been told But I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, gone And look at old Charlie standin' by a dollar bill  
Look at old Charlie, standin' by a dollar bill  
It may look good but it sure ain't no cheap thrill So I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, gone  
Well, I'm gone My head started spinnin', eyes began to roll  
My head started spinnin', eyes began to roll  
Shouldn't do that, shouldn't do that  
Crazy fool, I drank too much alcohol, that's alright Now I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
One more drink and I'll be gone, oh, gone  
Gone, yeah Who, rollin', who  
Alright, John Lee Hooker Yeah, I got drunk last night  
And the night before  
If I get me some wine  
Gonna get drunk some more I been rollin', rollin', rollin' all night long  
I said all night, all night, all night, all night  
Rollin' all night long, yeah, whoo Oh, what a night, sure had a real good time  
Oh, what a night, sure had a real good time  
You drink your whiskey, I'll drink my red wine, yeah Well, I'm rollin' all night long  
Rollin' all night long, rollin' all night long  
Just another drink and I'll be gone, gone, gone, gone  
Whoa, I'm gone
