Give You Back

Vertical Horizon

I need to know if you were real
'Cause I've been known to get it wrong
When the memory comes
I'll say I'm always in the dark
You got me now
Chorus
I want to give you back
I want to give you back
Somewhere out of here
I want to give you
I want to give you
I want to give you back
I can't remember how it went
You looked like everything I wanted
And as you came along
Slowly everything began to change

I got you now
[Chorus]That's enough
Just talking about it
I don't mind
I don't mind no I
Laugh enough
Just dreaming about it
I need to know if you were real
I'd hate to think that I'd been fooled again
And as the vision fades
I'll say I was blinded by your eyes
I felt them burn
[Chorus]
